Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This five-bay framed and weatherboarded I-house faces west onto Solomons Island Road. Set on brick piers, it has two-over-two double-hung-sash windows, a one-story hipped-roofed front porch supported on turned posts, and two interior brick gable-end chimneys. There are one- and two-story rear ells. This house dates from the turn of the century. It has never been heavily altered, but recent changes have been made in association with the dwelling's new commercial uses.
